## The 2020 Aquatic Systems Management Workshop

hosted by **The California Science Center**  
Los Angeles, California

September 24 - 25

### THE AQUATIC SYSTEMS MANAGEMENT (ASM) WORKSHOP

Experienced leaders in the field will bring their unique perspectives and focus on effective problem solving, brainstorming, and resource management. Our goal is to enhance the participant's understanding of aquatic systems to help better determine and apply possible solutions to their specific systems.

The two-day workshop consists of presentations, brainstorming sessions, and discussion groups focusing on solutions to specific aquatic system management issues previously submitted by the participants. There will also be a tour of the aquatic systems of local public institutions.

### Workshop Registration Fee

\$475 Before 8/1/2020

\$525 8/1/2020 and after
