Subject: Ozone Water Systems, Inc. - Essential Business Operations

To Whom It May Concern:

Under President Trump's National Emergency Declaration and the Federal Motor Carriers Safety Act Emergency Declaration Expansion, Ozone Water Systems, Inc. ("OWS") has been determined to be an essential business that supports the emergency COVID-19 relief effort. Specifically, OWS manufactures, distributes, and services water decontamination equipment that sustains the bottled water, pharmaceutical, and animal life support industries and is necessary to provide "direct assistance supporting emergency relief efforts intended to meet immediate needs for . . . [f]ood, paper products and other groceries for emergency restocking of distribution centers or stores." March 18, 2020, FMCSA Emergency Declaration Expansion. This "direct assistance" also extends to "[i]mmediate precursor raw materials—such as paper, plastic, or alcohol—that are required and to be used for the manufacture of essential items."

OWS has been identified as a vital supplier/vendor to the continued fulfillment of emergency relief efforts in compliance with President Trump's National Emergency Declaration. Please contact OWS at info@ozonewatersystems.com if you have any questions.
